EJES Manuscript Evaluation Form 2023

This form is designed to summarize the manuscript peer review that you have completed and to ensure that you have considered all appropriate criteria in your review. Your review should provide a clear statement, to the authors and editors, of the modifications necessary before the paper can be published or the specific reasons for rejection.

Please respond within the appointed time so that we can give the authors timely responses and feedback.

NOTE: EJES promotes peer review procedure based on scientific validity and technical quality of the paper (not perceived the impact). You are also not required to do proofreading of the paper. It could be recommended as part of the revision.

EJES editorial office would like to express its special gratitude for your time and efforts. Our editorial team is a substantial reason that stands EJES out from the crowd!

Date Manuscript Received: 07.09.2023	Date Review Report Submitted: 18.09.2023
Manuscript Title: Teacher Development Model to Facilitate Science Teaching through the Concept of Professional Learning Community	
Manuscript Number:	
You agree your name is revealed to the author of the paper: No	
You approve, your name as a reviewer of this paper, is available in the "review history" of the paper: No	
You approve, this review report is available in the "review history" of the paper: Yes
